C. Deskripsi Singkat Materi

“Bangsa yang besar adalah bangsa yang menghargai jasa para pahlawannya” sebuah pernyataan yang sering kita dengar.

Ketika Kalian bertemu seseorang atau ketika mengirim surat dengan temanmu yang berada di luar negeri, tentunya salah satu topik yang menarik untuk dibicarakan adalah kisah tentang perjuangan pahlawan. Bagaimana Kalian mulai mengisahkan cerita tersebut? Tentunya Kalian akan membuka cerita dan terlibat dalam penggunaan kalimat yang berhubungan dengan masa lampau. Perhatikan contoh berikut :

‘The Indonesian independence **was** proclaimed at 10.00 a.m. on Friday, 17 August 1945. The declaration **marked** the start of the diplomatic and armed resistance of the Indonesian National Revolution, fighting against the forces of the Netherlands and pro-Dutch civilians, until the latter officially **acknowledged** Indonesia’s independence in 1949...’

Kata-kata yang bercetak tebal menggambarkan peristiwa yang terjadi di masa lampau, jauh waktu sebelum Kalian merasakan kemerdekaan tersebut.

Lebih lanjut penggunaan kata kerja aksi, kata yang berhubungan dengan apa dan siapa , kata keterangan waktu serta kata penghubung waktu: *first, then, after that, before, when, at last, finally*, dsb akan kita pelajari pada modul ini.

Pada modul ini Kalian akan diajak berlatih untuk mampu membedakan dan menyusun teks *recount* yang berkaitan dengan peristiwa sejarah, sesuai dengan konteks penggunaannya. Untuk mencapai Kompetensi Dasar (KD) ini Kalian perlu berlatih lebih banyak berinteraksi lisan dan tulis dengan bertanya-jawab terkait teks *recount* yang berkaitan dengan peristiwa sejarah dan kemudian membiasakan diri untuk berbicara secara lisan dan dalam kehidupan sehari-hari di lingkungan Kalian. Untuk mengetahui kemajuan belajar Kalian, perlu dilakukan penilaian otentik antara lain unjuk kerja dalam bentuk pemahaman teks, percakapan lisan dan tulis untuk kemudian dikumpulkan dalam portofolio masing-masing.

D. Petunjuk Penggunaan Modul

Modul ini dibagi menjadi 2 bagian yaitu:

- Kegiatan belajar (Learning Activity) 1. Let's Read
- Kegiatan Belajar (Learning Activity) 2. Let's Chat and Write

Untuk memudahkan Kalian mempelajari modul ini perhatikanlah hal-hal berikut.

- Bacalah modul Kalian dengan cermat.
- Kerjakan setiap latihan sesuai dengan petunjuk.
- Pelajarilah penjelasan dengan cermat.
- Jika menemukan kesulitan dalam menyelesaikan tugas berkonsultasilah dengan guru Kalian.
- Gunakan kamus jika diperlukan.

E. Materi Pembelajaran

Modul ini terbagi menjadi **2** kegiatan pembelajaran dan di dalamnya terdapat uraian materi, contoh teks, latihan dan evaluasi. Dari kedua *learning activity* tersebut materi pembelajarannya sama tapi yang membedakannya hanya pada kemampuan berbahasa. Pada *learning activity* 1 Kalian diajak berlatih melakukan kegiatan berbahasa untuk memahami konsep historical account dan menangkap makna informasi wacana historical account sedangkan pada *learning activity* 2 Kalian akan berlatih berkomunikasi secara tulis.

Mari kita awali pembelajaran ini dengan konsep mengenai teks recount. Teks recount merupakan teks yang memiliki fungsi untuk menceritakan kembali kejadian atau pengalaman yang terjadi di masa lalu. Teks ini bertujuan untuk memberikan informasi yang bertalian dengan rangkaian peristiwa dan/atau menghibur pembaca yang membaca tulisan atau menyimak teks tersebut.

Teks recount memiliki beberapa bentuk sesuai dengan tujuan dari teks itu sendiri. Secara umum teks recount terdiri dari teks recount personal, faktual, dan imajinatif. Teks recount personal adalah teks yang berfungsi menceritakan tentang pengalaman pribadi pembicara atau penulis. Teks recount faktual berfungsi untuk menyajikan laporan peristiwa yang benar-benar terjadi, seperti laporan percobaan ilmu pengetahuan ataupun catatan sejarah. Teks recount imajinatif biasanya dipilih untuk menyajikan sebuah cerita imaginatif yang berisi peristiwa atau kejadian yang telah terjadi yang bersifat imajinatif.

Pada modul ini kita akan secara khusus membahas mengenai teks recount faktual untuk bercerita secara lisan atau tulis mengenai rangkaian peristiwa yang benar-benar terjadi dalam bentuk catatan sejarah. Untuk memudahkan kalian memahaminya, dalam modul ini kita akan menggunakan istilah *historical recount text*. Berikut ini adalah beberapa ciri-ciri umum sebuah teks recount.

- **Fungsi Sosial**

Melaporkan atau menceritakan kembali berbagai pengalaman atau peristiwa di masa lampau.

- **Struktur Teks**

Struktur teks recount biasanya mencakup:

- orientasi

D. Tugas

Sekarang, coba kita cek pemahaman Kalian mengenai struktur dari teks recount tentang peristiwa bersejarah dengan menyelesaikan latihan berikut ini.

Look at the following text and determine the sosial function, the generic structure and the language features, put them in the table shown below the text.

The Proclamation of Indonesian Independence

The proclamation of Indonesian independence was read at 10.00 a.m. on Friday, 17 August 1945. The declaration marked the start of the diplomatic and armed resistance of the Indonesian National Revolution, fighting against the forces of the Netherlands and pro-Dutch civilians, until the latter officially acknowledged Indonesia's independence in 1949. In 2005, the Netherlands declared that they had decided to accept de facto 17 August 1945 as Indonesia's independence date. In a 2013 interview the Indonesian historian Sukotjo, amongst others, asked the Dutch government to formally acknowledge the date of independence as 17 August 1945. The United Nations, who mediated in the conflict, formally acknowledge the date of independence as 27 December 1949.

The document was signed by Sukarno (who signed his name "Soekarno" using the older Dutch orthography) and Mohammad Hatta, who were appointed president and vice-president respectively the following day.

The draft was prepared only a few hours earlier, on the night of 16 August, by Sukarno, Hatta, and Soebardjo, at Rear-Admiral Maeda (Minoru) Tadashi's house, Miyako-Door 1, Jakarta (now the "Museum of the Declaration of Independence", JL. Imam Bonjol I, Jakarta). The original Indonesian Declaration of Independence was typed by Sayuti Melik. Maeda himself was sleeping in his room upstairs. He was agreeable to the idea of Indonesia's independence, and had lent his house for the drafting of the declaration. Marshal Terauchi, the highest-ranking Japanese leader in South East Asia and son of Prime Minister Terauchi Masatake, was however against Indonesia's independence, scheduled for 24 August.

While the formal preparation of the declaration, and the official independence itself for that matter, had been carefully planned a few months earlier, the actual declaration date was brought forward almost inadvertently as a consequence of the Japanese unconditional surrender to the Allies on 15 August following the Nagasaki atomic bombing. The historic event was triggered by a plot, led by a few more radical youth activists such as Adam Malik and Chairul Saleh, that's put pressure on Sukarno and Hatta to proclaim independence

immediately. The declaration was to be signed by the 27 members of the Preparatory Committee for Indonesian Independence (PPKI) symbolically representing the new nation's diversity. The particular act was apparently inspired by a similar spirit of the United States Declaration of Independence. However, the idea was heavily turned down by the radical activists mentioned earlier, arguing that the committee was too closely associated with then soon to be defunct Japanese occupation rule, thus creating a potential credibility issue. Instead, the radical activists demanded that the signatures of six of them were to be put on the document. All parties involved in the historical moment finally agreed on a compromise solution which only included Sukarno and Mohammad Hatta as the co-signers in the name of the nation of Indonesia.

Sukarno had initially wanted the declaration to be read at Ikada Plain, the large open field in the centre of Jakarta, but due to unfounded widespread apprehension over the possibility of Japanese sabotage, the venue was changed to Sukarno's house at Pegangsaan Timur 56. There was no concrete evidence for the growing suspicions, as the Japanese had already surrendered to the Allies, the declaration of independence passed without a hitch.

The proclamation at 56, Jalan Pegangsaan Timur, Jakarta, was heard throughout the country because the text was secretly broadcast by Indonesian radio personnel using the transmitters of the JAKARTA Hosokyoku radio station. An English translation of the proclamation was broadcast overseas.
